

Public Information July 2017

Hello ASC. Everything is still going well for PI.

PI Budget- \$333,20

*I have plenty of volunteers for the the Service Entry Event each Thursday. I would like to be able to organise it so each person gets paired up into teams, with each team taking a set Thursday. I think this could be a good way to avoid trusted servant burnout, especially for myself.

*If any groups or the Activities Committee would like, I can give fliers to the Treatment Center Employees at the Service Entry Event. It would be an easy way to let newcomers know there is more to recovery than just meetings. (6 Treatment centers)

*I received another email from Wilma Weber. This one is the results of the Narcan workshop Lonnie and I went to at the Health Dept. If anyone would like me to forward this to them, just let me know and make sure I have your email address. Or send me one at the PI email.

*As always there are plenty more projects on the PI worklist. And anyone interested in joining the PI team is welcome to join us each month at noon, before the ASC meeting.

Also as always, my thanks to all of the PI members who volunteer their time.

In loving service,

John C
