January 14<sup>th</sup> is the next RSC Mtg.

I'm asking to be reimbursed for half of my hotel cost \$68.75 (Full cost was \$137.50) and mileage reimbursement for 240 miles.

**Side Bar:** I spent some time talking to Marcus B from S. King Co., RCM 1, regarding PI School information. They have successfully been taking NA into the schools in their Area. We came up with the following ideas for our PI to get started with the local schools:

- Ask for newcomer packages to Clean and Free for some of the students Izzy might think would attend
- Put together Newcomer Packages for students, including a literature rack and welcome keytags (in classroom where Izzy meets with them)
- Young people welcome meeting
- Lunchtime meeting at schools/panels
- Who needs to approve these things? Meet with Izzy and other faculty
- Coordinate with local groups in Aberdeen
- Give presentation at school (ask faculty to step out)

Marcus said he would be more than happy to help us get started, brainstorm ideas, etc. I have his contact info for John.

In Loving Service,
